

## The **DC Pulse:** Your Connection to a Church with a Heart for the Community

### Participate in Family Enrichment Week!

**June 23, 2014 - June 27, 2014**  
**5:30 p.m. - 8:30 p.m.**

Join us as we accompany Moses on an incredible journey through the wilderness as David Chapel transforms into ancient times. Children will learn to trust God and adults will be reminded that where God guides, He provides. Each night, visit various Israelite camps to step back in time to discover what life was like for the Israelites. A light dinner will be served each evening.

In addition to attending, consider using the gifts and talents God has blessed you with to build His Kingdom! Volunteers are still needed to work throughout the week in various roles.

You can register for classes and discuss volunteer opportunities in the Fellowship Hall throughout the month. Questions? Contact one of the Family Enrichment Week (FEW) leaders: Vedia Miles at (512) 527-4992 or Rosalyn Daniel at (423) 488-2956.

## JW SMITH FEATURED IN ELGIN COURIER

DC member John Wesley (JW) Smith, a rising Sophomore at Texas Tech University, was featured in the Elgin Courier. The paper recognized his success during his first season in collegiate track. On May 18, Smith competed in the Big 12 Championship where the Texas Tech men's track team took first place. He placed third in the preliminary round of the 400 meter hurdles in the meet. Earlier in the season, Smith placed first in the West Texas A&M Classic, second in the Red Raider Open, and third in the Wes Kittley Invite, all in the 400m hurdles. Aside from earning a Big 12 Championship ring as a freshmen, he is on the Dean's List.

Congratulations JW! We salute your accomplishments and outstanding season!

**FOSTER  
GRANDPARENTS**  
Share Today. Shape Tomorrow.

Know of anyone interested in serving as a Foster Grandparent? The Capital Area Foster Grandparent Program is a unique volunteer program that has brought together thousands of needy children and loving retired adults who have all been deeply enriched by new relationships in the Greater Austin Area. Program staff train and place senior volunteers in schools, non-profit childcare centers and other youth service organizations to help set children on the path to a successful future. This Federal program also pays a small tax-free stipend to income-eligible retirees to help them afford to volunteer. Volunteers must:

- Be 55 years of age or older
- Meet income guidelines
- Be in good health
- Be willing to volunteer a minimum of 15-20 hours a week at their designated volunteer location

If this sounds like the opportunity for you, call the Capital Area Foster Grandparent Program at (512) 374-6009.

On May 21, 2014, Pastor Parker facilitated a discussion entitled "Conversation with the Sages" featuring Dr. George V. Clark (far left) and Dr. Zan Holmes. This workshop was part of a three-day conference.

# JUNE IS MEN'S HEALTH MONTH

awareness | prevention | education | family

01

**Eat Healthy.** Start by taking small steps like saying no to super-sizing and yes to a healthy breakfast. Eat many different types of foods to get all the vitamins and minerals you need. Add at least one fruit and vegetable to every meal.

02

**Get Moving.** Play with your kids or grandkids. Take the stairs instead of the elevator. Do yard work. Play a sport. Keep comfortable walking shoes handy at work and in the car. Most importantly, choose activities that you enjoy to stay motivated.

03

**Make Prevention a Priority.** Many health conditions can be prevented or detected early with regular checkups from your healthcare provider. Regular screenings may include blood pressure, cholesterol, glucose, prostate health and more.

100%

Women are 100% more likely than men to visit the doctor for annual exams and preventive services.

1 IN 2

1 in 2 men are diagnosed with cancer in their lifetime compared to 1 in 3 women.

1994

On May 31, 1994 President Clinton signed the bill establishing National Men's Health Week.

"Recognizing and preventing men's health problems is not just a man's issue. Because of its impact on wives, mothers, daughters, and sisters, men's health is truly a family issue."  
Congressman Bill Richardson (May 1994)

In 2000 there were fewer than 80 men for every 100 women by the time they reach age 65 – 74.

*The Bob Bullock Texas State History Museum Presents*

# **The Year That Rocked History**

**June 7, 2014 - September 1, 2014**

*The 1968 Exhibit* brings to life this pivotal American year through photographs, artifacts, vintage pop culture items and interactives organized in 7,000 square feet of exhibit space in the Bullock Museum's Herzstein Hall. Explore the exhibit and see the events that changed Texas and America forever. In 1968, the death toll in the Vietnam War reached a new high. Riots and demonstrations were held across the country, Apollo 8 orbited the moon, and the nation was transformed by the tragic assassinations of Dr. Martin Luther King, Jr. and Robert Kennedy.

The 1960s also charted a dramatic road in America's pop culture. It was in 1968, that *Hair* opened on Broadway, *Laugh-In* debuted on television, and Johnny Cash gave his famous performance at Folsom Prison.

### **What You'll See**

See the iconic purple jacket worn by rock legend Jimi Hendrix, Mr. Rogers' sweater and sneakers, vintage album covers and musical equipment, and a talking Mrs. Beasley doll. Witness the reality of war with Vietnam-era artifacts, such as a full-size Huey helicopter, a draft notice, helmets and other gear. View an actual program from Dr. King's funeral service, and see a camera used to photograph Robert Kennedy the night he was shot.

### **What You Can Do**

Three interactive lounges focus on the music, design, movies and television that shaped a generation. While in the exhibit, you can cast a vote in the '68 presidential election, listen to music by '60s rock icons, and challenge friends to a 1960s trivia quiz about music and TV of the time.

The Bob Bullock has the following operating schedule:

Monday - Saturday, 9:00 a.m. – 6:00 p.m.

Sunday, noon – 6:00 p.m.

The museum provides free admission to the exhibits on the first Sunday of each month.
